

NOMINATE YOUR SCHOOL TO **WIN** A TRAINING MASTERCLASS WITH ENGLAND PLAYERS

HOW IT WORKS

1. Sign up to Sparks on the M&S app
2. Register for the competition by nominating your local school or football club
3. Earn an entry every time you buy an Eat Well product and scan your Sparks card
4. Competition closes 27 September 2022

M&S is running a competition that rewards healthy eating choices. Sparks customers can register for the competition by nominating their local school, and that school can win a training masterclass with England players, as well as vouchers for equipment and supplies.

Not only that, customers can win prizes for themselves such as match tickets, signed football shirts and Eat Well products.
