

Reception Maths

w/b 06.07.20

Hello everyone!

I hope you all had a lovely weekend, I know I went home on Friday with a huge smile on my face!! It was so lovely seeing you all again. I hope you enjoyed your time at the St Blaise's Centre as much as I did and I cannot wait to see you all again this Friday for some more fun!

I hope you enjoyed Oliver's Vegetables last week activities last week, what was your favourite one? I know I enjoyed sorting the food we can eat all the time and the food we should only have every so often.

On White Rose could the children please complete Summer Term- Week 11 w/c 6th July. <https://whiterosemaths.com/homelearning/early-years/> this is the link to access White Rose learning from home. It will take you to the correct page.

Please remember you can also log into Sumdog. If you need your login and password please send me an email and I will send it over to you. Sumdog is an online interactive way of learning maths that is adapted to your child/ren's abilities. They can play against one another or on their own.

Enjoy learning from home this week. Please continue to send in your videos and pictures, I love seeing them! Love Miss Bertrand

	Problem of the day	Online White Rose Learning from Home
--	------------------------------------	--

Monday

Can you complete the pattern?

What shape comes next?
