

## The Blue Letter: 10th September 2021

Dear Parents and Carers,

Welcome to all our new children and families, this letter each week will include important information as well as photos of things that have happened during the week.

We are really pleased to be able to welcome volunteers back into school. If you'd like to help in school with reading, gardening, helping on trips, sporting events, being part of the PTFA or anything else, do get in touch. Volunteer roles with the children will require a DBS check and we will ask you to attend a safeguarding session in school.

We spent one of our INSET days at the end of last week training for our new phonics programme and we will be sharing more details about this during the next few weeks. We have invested a lot of money in the books to support this programme and we would like them to last. Please can we remind you not to put water bottles into book bags.

When you arrive to drop off and collect your children, can we ask you to be mindful of our neighbours on both sides of the school and avoid standing on their drives. Please ask the children not to run around on them and also to watch out for those who are trying to either enter or leave the drives.

Thank you

The children in year 2 will be taking part in outdoor learning this half term. There are more details in the diary section below. There are also details about the annual school photographs. Sibling group photos will be taken first. We will confirm the time when we have up to date details from Tempest.

## Fox Class Visitor

On Tuesday David brought Daisy to our school. She was a well behaved dog. Daisy works at the hospital seeing children. Daisy is one of my heroes because she makes children happy - *Eli*

Daisy is a therapy dog and she came into Fox Class. David told us everything about dogs and he is a guide dog trainer. Daisy works at Chichester Hospital where she visits children. - *Mason*

I think Daisy is a hero because she makes the children at the hospital happy, she makes me happy, she makes David happy and I bet she makes lots more people happy. - *Mollie*
