

Week beginning	Spellings/SPAG	Reading	English	Mental Maths	Maths	Wider curriculum
23 rd March <div>Yr 6</div>	<i>guarantee, appreciate, available, desperate, curiosity, awkward, conscience, interrupt</i> (common exception words) Choose one of the spelling tasks to help to cement these. SPAG mat 1 Choose either *, ** or ***.	Having read the beginning of your book, introduce the characters from the book you are reading. Focus on two in particular and compare them and contrast them initially in a table, before describing in detail one of them. Make sure your writing is in paragraphs. Don't forget to proofread and edit your writing.	Write a letter to either: an older family member who is away from you at the moment, an elderly neighbour who would appreciate a letter from you, or someone in a nursing home. (<i>There are several nursing homes around Chichester who have asked for letters - addresses will be found on the Internet</i>). Remember our writing process: collect ideas, develop sentences, write a first draft, then proofread and edit before making a final copy.	Go online to topmarks.co.uk Go to the Mental Maths category, and then the Year 6 Arithmetic Practice. Have a go at the game. If you get a question wrong, have a look at how the answer was achieved. Can you improve your score?	Ratio and Proportion - Use MyMaths Yr 6 Ratio introduction lesson Ratio and Proportion - Use MyMaths Yr 6 Modelling ratio lesson For further practise: Twinkl activity sheets (*, ** or ***) MyMaths login username: boxgrove and password: one.	Choose an animal or bird which is local to our area eg. Blackbird, Crow, Fox, Badger, etc. Find out about it: its scientific name, where it lives, what it eats, how big it is, etc. Create a factfile about it. Draw or paint pictures of it. You could always send me photos of your artwork.
