

Fox Class Autumn 2 2018:

Burps, bottoms and bile!

Here is an overview of the learning taking place this half term.

Open wide-let's take a look inside! We are on a voyage of discovery to investigate the busy world inside your body!

English	Fantasy narrative, persuasion and explanation.
Science	Teeth and the digestive system. What are the effects of tooth decay?
Design and Technology	Model created to demonstrate how the digestive system works.
Modern Foreign Languages	Body Vocabulary.
Computing	Flow charts created to show the process of digestion.

Fox Class Autumn 2 2018:

Homework:

- Two topic based tasks to be completed (see separate letter)
- Spellings: given on a Monday and tested on a Friday
- Times tables: practise tables regularly

Year 3: 2,3,4,5,8,10 x table

Year 4: All tables to 12 x 12

-Reading: Read and record at least 3 times a week.
Change books in morning when needed.

-PE this half term: Ensure PE kit is in all week as the days we do PE may change this half term.

We are looking forward to a fun filled half term with our topic Burps, bottoms and bile.

Please come and see us if you have any questions or would like further information.
