

Boxgrove C.E.P School - Home School Agreement

Please read our "Home and School Partnership - 10 points for success" document which sets out clearly how we all work together to help your child to develop lively enquiring minds and an understanding that learning is a life long process. At our school, we provide a stimulating learning environment for all children within a caring, Christian ethos. We aim to give all children a wide range of learning opportunities to help them to grow into independent, well-behaved and responsible young people who achieve the highest standards possible across the whole curriculum. At Boxgrove C.E.P School our aims are clear - to provide the best learning opportunities and the best learning outcomes for each child. We set high standards in all areas and are proud of the results we achieve.

We believe that we can only achieve the best for your child through close co-operation between home and school. We encourage all parents to share in their child's education and we are always pleased to talk with you about any aspects of your child's development. We hope that you will want to share with us in making this a very happy and successful period in your child's life.

Once you have read the attached document please return the slip below.
