# Making a Difference can help you turn a corner after a career break

Our specially designed course offers you the chance to experience the support you need to achieve your back to work goals.

In the first week we'll work with you on exploring your options and helping you with job searching, CV building and interview skills.

During the second week you will receive accredited Customer Service and Food Hygiene training (Work Rocks) which will boost your skills on your CV.

Your third week covers topics such as self-employment and provides the opportunity to meet local employers at our Job Fair on Thursday 11 August.

We have a flexible fund available that may be able to help cover the costs of parking, travel and childcare while attending the course.
