

Friends of Boxgrove Termly Newsletter

Summer Term 2022

A warm introduction to all parents and carers of Boxgrove School. Our names are Becca Wingate and Amy O'Leary (mums to Scarlett and Jack in Year R) and we have decided to take on the role as Heads of the PTA this year. A big thank you to Georgie Newman who did such a great job leading the PTA this year solo!

We have decided to replace the old 'PTA' name with a new name, 'Friends of Boxgrove' and will be sending out termly newsletters to help inform you all of our plans, money raised and dates for the diary. We hope you will be able to support us on our mission to raise vital funds for Boxgrove School from now on and we would welcome any help with the fundraising opportunities we organise. Please find us outside school with any questions you may have and we will do our best to help.

Dates for the Diary!

This term we will be holding a Raffle to raise funds to go towards the Leavers BBQ and the Leavers hoodies, along with some equipment required for the school. We will be selling the raffle tickets the week beginning **Monday 4th July** outside school at pick up and drop off. Please look out for Becca, who will be selling them. We will be asking for £1 per ticket. We already have a whole host of donations for the Raffle, from lunch and drinks for 2 at Cassons restaurant, to Afternoon Teas, Goodwood Revival tickets and a voucher for the Anglesey Arms.

You will also be able to buy Raffle tickets before Sports Day on **Thursday 7th July** and we will be drawing the Raffle at the end of Sports Day.

There will also be a cake sale and drinks to purchase at Sports Day, which will go towards the fundraising.

Fundraising ideas for next year

We are hoping to hold a 'Bounceathon' in the first half term of the new school year and children will be sent home with a sponsorship form to help us raise funds.

There will be a Christmas Disco, both for KS1 and KS2.

We will also be organising both a Christmas and Summer Fayre, amongst other things.

Any other ideas for fundraising opportunities would be greatly received.

Also see our separate flyer on the exciting chance to join the 100 club!

We will be sending out more information about these events in our Autumn Term newsletter.

PLEASE HELP!

We are looking for cake donations for Sports Day on **Thursday 7th June**. These can be shop bought or home-made. If homemade, please can you also send in a list of the ingredients to accompany the cake, just in case of allergies. Please can you bring the donations into school on the morning of Sports Day for us to sell.

Also we are looking for some willing participants to help run the drink and cake stall on the day of sports day. It is our hope we get enough help that we can split the day at the stall so you do not miss watching the event!

Thank you in advance!
