Dear Squirrels and Parents,

I hope you are enjoying the sunshine.

Here is a little bit of information regarding homework.

- Each week there will be a grid of tasks.
- Try to work off the screen if you can, you do not need to print everything out. For example, for the SPAG mat you can look at the screen and write the answers in your book. Then mark it. For reception children you may need to print off more of the tasks – eg games and activity booklets
- How you do the tasks is up to you. You can choose to do more some days and less other days.
- Some tasks, such as mymaths, will change once we have set up the online homework section.
- There will be one reading task set each week but we would be expecting you to read as much as possible. At least 3 times a week.
- Times tables practise should also continue regularly for year twos
- After Easter the wider curriculum will be connected to the topic of castles.
- There are many, many very good websites available. Some of these are now available subscription free for the time being. Please use these as you wish.

Sumdog, mymaths, Oswego mathemagician, white rose, phonicsplay,

Twinkl – enter code PARENTSTWINKLHELPS

Joe wicks You Tube – 9 am P.E lesson for 30 minutes

Kids cook with Theo – Mondays and Wednesdays

Most importantly, play games, bake, do puzzles and have fun.

Feel free to write to us here at school anytime

Miss Bertrand and Mrs Halfacree
