

Reception Maths

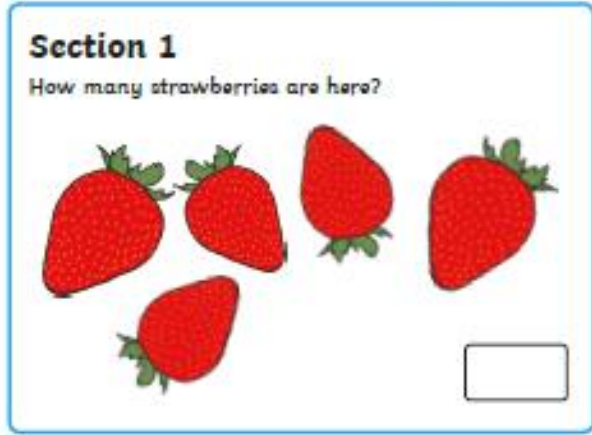

w/b 13.07.20

Hello everyone!

I hope you all had a lovely weekend, I know I went home on Friday with a huge smile on my face!! It was so lovely seeing you all again. I hope you enjoyed your time at the St Blaise's Centre as much as I did and I cannot wait to see you all again this Friday for our last session of the school year. I am very excited to have you all back in September so we can start learning together again! I've missed you all!

**As it is the last week I have not planned for White Rose. Instead, I am asking you to have some fun with Maths and giving you activities you can do as a family! Enjoy baking, measuring, games and getting active! Well done on your achievements this year. I'm bursting with pride!!**

Enjoy learning from home this week. Please continue to send in your videos and pictures, I love seeing them! Love Miss Bertrand

Friday

**Section 5**

Write a number statement for the picture.

$$\boxed{\phantom{00}} + \boxed{\phantom{00}} - \boxed{\phantom{00}}$$

Create your own sports day!

What activities will you include?

How far can you jump?

Time how long you can skip for!

How many laps of your garden can you do?

Time how long you can balance!

Make sure you record your results!

Get your family members involved too!
