

The Blue Letter: 19th June 2020

Dear Parents/Carers ,

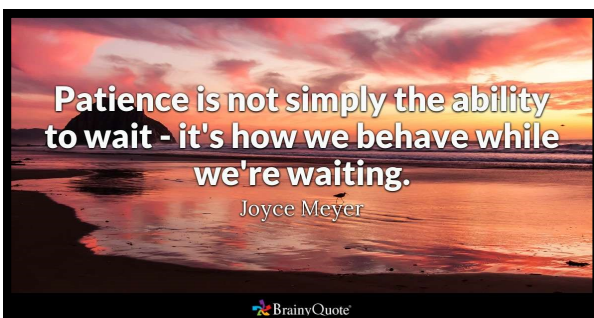

The zoom sessions that took place this week for Fox Class Owl and Squirrel Class went well. It was great to see so many children taking part. We shall be continuing with those each week for those learners who are not able to return to school. Fox Class will 'meet' on Mondays, Owl Class on Wednesdays and Squirrels on Fridays. If your child hasn't joined in yet we'd love to see them. Work began at school this week on the replacement for our trim trail equipment alongside the playground. We're sure that when everyone is back at school, they will enjoy using it. Thank you to those of you who sent in pictures for us to give to the Festival Theatre. We'll pass that to them along with some of the art that we have produced in school. I hope you were able to join in the assembly presented by the Duchess of Cambridge. We had some lovely conversations in school afterwards in our 'bubbles' about the various acts of kindness that the children have been involved with.

Worship Wherever You are

Our theme next week will be patience and our bible story is The story of Noah (Genesis 8 verses 6-13)

"Noah waited seven more days and again sent out the dove from the ark." Genesis 8:10

Patience is one of those qualities that we all need to develop especially when times are tough, when people and governments are frustrating. Patience to wait for the right time, patience with each other and the patience to wait on God when things seem to be taking so long to sort themselves out. The Bible is filled with stories of people like Mary, Da-

vid, Moses and Noah who had to wait for the right time, for God's time.

'...clothe yourselves with compassion, kindness, humility, gentleness and patience' (Colossians 3:1)

"Patience is not simply the ability to wait - it is how we behave while we are waiting.' Joyce Meyer

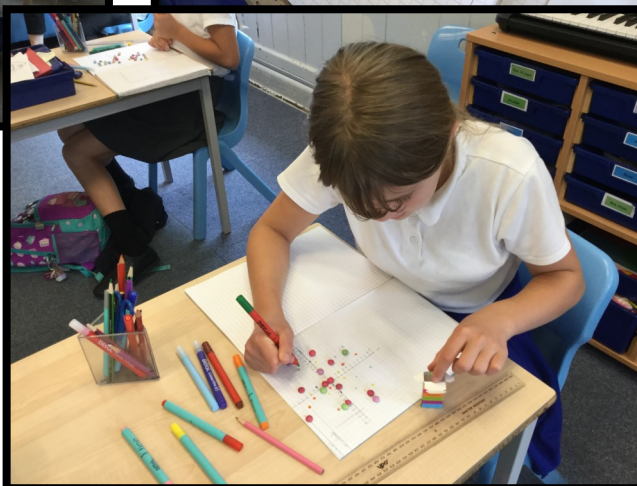

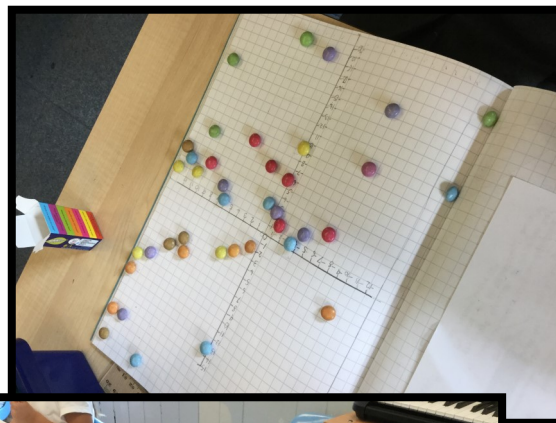

A prayer for next week

Father God, I find it difficult to be patient. I don't understand why sometimes things take so long to get sorted out. I just want life to get back to normal, and that still hasn't happened. Help me to be patient and trust you. Sometimes I get so frustrated by the people around me. Help me to be patient and love them. Amen

Home learning and school Learning

Using smarties to help plot coordinates in Owl Class

Home learning Super stars

Well done to Lexie who made a fantastic poster about the layers of the ocean.

Well done Lucas and Giovanni - brilliant work on Mymaths and with your White Rose maths.

Well done Leon, Lily and Hazel who shared fantastic work with Mrs Martin this week.

Sumdog Superstars

Oscar CB, Archie and Morgan

Isabelle, Max and Luke

Elodie has made some fantastic ants!
