

# Flow

Please select two of the following tasks to complete for homework. Remember to think about the presentation of your work. Remember it is important to challenge yourself.

Please hand in your first piece by Friday 13<sup>th</sup> May.

The second piece by Monday 23<sup>rd</sup> May.

How many songs can you list that mention water or rivers? You may want to record yourself singing one of these songs!

Visit a river and test the flow by playing Pooh sticks-just drop a stick from a bridge and see how fast it goes. Don't forget to take photos!

Find some paintings of rivers-be inspired and draw or paint a river scene.

Design and create your own water feature for your garden.

Go pond dipping and record what you find.

Find out how to save water around the house. Make a list of top tips to advise other people.

Visit a local river and try to work out the source and other features of it. See if you can find it on a map when you get home.

At the supermarket, look at which products use plastic. Come up with an alternative design for one of these products.

Write a story based on a river.

Be a responsible citizen and when at your local beach pick up any litter that you find. Remember to take photos!
