

Year 2 Maths Home Learning – week beginning 22nd June

Hello Everyone,

Well done to those of you that are managing to get on to Sumdog and are collecting coins! Please email school if you need support or have mislaid your Sumdog password and username. It is easy to log in and get going – and all learning is at your level and pace.

This week the White Rose Home Learning is all about Position and Direction for Mon –Weds and the videos are on Vimeo again as we have already covered the Length week that is on the usual website. Here is the link to the alternative plan which gives you the video links for each day:

<https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/06/Y2-Week-9-Alternative-Plan.pdf>

If you would prefer to look again at the Length lessons or missed this the first time round, they are to be found here:

<https://whiterosemaths.com/homelearning/year-2/>

Happy to email you the Length Worksheets if you are going to do those lessons.

On Thursday we are back on the White Rose Home Learning page for the lesson called Compare Mass. And then Friday is the BBC Bitesize Challenge as usual.....phew, it's all over the place this week!!

The worksheets are in the Year 2 folder as usual.

Arithmetic or Problem Solving for the starter questions this week. Use the strategies you know to work them out.

Have a wonderful week ☺

Love
Mrs Halfacree

	<u>Starter Task</u>	<u>Main Task</u>
<u>Monday</u>	<p>There are 8 passengers on the bus. At the first stop, 3 more get on. At the second stop 2 more get on. How many passengers are on the bus now?</p> <p>_____</p> <p>There are 28 children in Class 2. At playtime, 12 children choose to play football. How many children do not play football?</p> <p>_____</p> <p>_____</p> 	<p>Use the White Rose Day 1 presentation and tasks</p> <p>Describing Movement</p> <p>https://vimeo.com/430109300</p>

Tuesday

Missing Number

Fill in the missing number:

$$2 + 5 + 8 = \underline{\quad}$$

$$6 + 3 + 4 = \underline{\quad}$$

$$9 + 9 + 1 = \underline{\quad}$$

$$33 + 6 = \underline{\quad}$$

$$30 + 20 = \underline{\quad}$$

$$47 - 5 = \underline{\quad}$$

$$20 + \underline{\quad} = 40$$

$$90 - \underline{\quad} = 40$$
