

Year 6 Learning wb 29th June 2020

I hope you have had a good weekend.

Continue with **"Holes" by Louis Sachar**. Remember haysatschool.com have got an online copy which you can download to read. Aim to finish it this week if you can!

	Spellings/SPAG	English	Maths	Topic/Afternoon activities
Monday	Week 5 words. Choose one of our spelling activities to help you to learn and practice these words.	We heard a little about the Hero twins in our research of the Mayan civilisation last week. Read the legend The Hero Twins. Write a synopsis of the story.	This week our focus is on Statistics and we are going to work on line graphs. Watch the line graphs powerpoint first of all. Look at the Sunflower line graph *** and answer the questions on the worksheet ***. Then do Plotting a Line graph worksheet.	<u>Topic</u> This week we are going to find out about the writing of the ancient Mayan culture. Collect some information having searched the Internet. Some useful websites: https://www.dkfindout.com/uk/history/mayans/mayan-writing/
Tuesday	<u>Reading</u> Read the Mayan Legend of the Dwarf.	Retell the legend to someone at home. Sometimes myths and legends get muddled. Read through the poster which helps to distinguish between the two. Which Mayan beliefs are coming through in this legend?	Have a go at a few timestables speed tests. https://www.timestables.co.uk/speed-test/ What is your best score? Continue to practise using and drawing line graphs. Do Plotting Line Graphs 1 and 2 worksheet.	<u>Topic</u> Have a look at the Mayan alphabet information. You will notice that some letters don't exist as such. https://omniglot.com/writing/mayan.htm See if you can write your own name.

Wednesday	<p>Read the Maya creation story and do the comprehension questions that follow.</p> <p>What have you noticed about the different legends you have read? Which features can you pinpoint? Are there common settings or beliefs?</p>		<p>Starter: Times Tables grid.</p> <p>Do the Interpreting line graphs worksheet.</p> <p>Then do Plotting 2 sets of data worksheet.</p>	<p><u>Art</u></p> <p>Take a piece of A4 and fold it in half so that you make a piece of paper A5 size. See if you can fill the A5 with your name in Mayan.</p> <p>Choose some subtle neutral colours to shade it in.</p>
Thursday	<p>You are going to write a Mayan legend.</p> <p>Think about some of the facts you found out about the Maya civilisation last week. See if you can bring in some of these into your legend.</p> <p>Remember our writing process - words and ideas > phrases > writing > proofreading and editing.</p>		<p>Mental Maths year 6 - 1.</p> <p>Complete the worksheets Line graphs 4d and 4f.</p>	<p><u>PE</u></p> <p>Get active!</p>
Friday	Spelling test.	Finish your Mayan legend.	<p>Do Mental Maths year 6 - 2.</p> <p>Look at the Mean poster to remind yourself about what mean is and how to calculate it.</p> <p>Then do Mean in Maths *, ** or ***.</p>	<p><u>Topic</u></p> <p>Make a list of some of the foods which the Maya people ate. We enjoy many of these today.</p> <p>Make a record of which of the foods you like. You could also do some sketching of some of these foods if you have them in the house!</p>
