

The Blue Letter: 12th March 2021

Dear Parents and Carers,

It has been a fantastic first week with everyone back in school. It's so lovely to hear the buzz of full classrooms and the chatter of children learning and playing together. The children have had the chance to share their experiences of lockdown and we are impressed with how much knowledge they have retained. Our tutoring programme starts next week with almost half the school embarking on one-to-one or small group support in either English or Maths. For some children this will be with Miss Yasmin Sheikh who will be with us every afternoon for the next 15 weeks. Other children will be working with either Mrs Halfacree or Miss Whittle, again focusing on Maths and English.

Meet Oakley, the newest member of our school! Oakley is a cockerpoo and he will be our school wellbeing dog. When he's not in school he will live with Mrs Sheehan and her family. He's currently too young to leave his mum, but will be coming to live with Mrs Sheehan in the Easter holidays. When he is ready he will start to come to school with Mrs Sheehan where he will have his own space in the office. We are all really excited about having him in school and can't wait! We'll keep you all updated with Oakley news via the blue letter.

Hopefully everyone has been able to book an appointment for parents evening next week. The booking system can be accessed via <https://boxgrovecofe.schoolcloud.co.uk/>. This is also the host platform for the video calls on the day. A reminder of the dates and times are below:
