Year 2

Hello Squirrels!

I know Mrs Halfacree and Mrs Dommett loved seeing you and your lovely smiling faces at the St Blaise's Centre on Wednesday morning and I know how excited they are to see you for some more fun on Wednesday. I have heard how hard you have been working and I am so impressed with you all (and parents!) you are all incredible. It would be lovely to have all the Year 2's in on Wednesday so if you can make it please come along and join the fun!!

I would love it this week if you could all bring a piece of work you have completed this week to show on Wednesday or come with any new facts you have learned about minibeasts throughout our topic. This week we are focusing on making and writing lists, there are three different writing activities to complete so you should be a list writing expert by Wednesday! Please remember your capital letters and full stops- they are so important. Have a fabulous week learning and I am so excited to hear about what you have been up to on Wednesday!

We have two weeks (can you believe?!) of this school year left and would be so grateful if we could keep our feet on the accelerator for just a little longer- I know it must feel like a lifetime of learning from home but I want to ensure I can prep you as well as I can for September when you move into new year groups. I have tried to make this week as fun and as creative as I can- who knew bugs could be so interesting?!

I am sending lots of smiles, positive vibes and love to all you all and as always, I am here to answer any questions or help in any way I can (and as quickly as I possibly can)! Keep smiling because every day we are one day closer to normality.

Love Miss Bertrand
