THE ART OF CHICHESTER TOMORROW

FREE SUMMER ART WORKSHOPS

Looking for creative activities for children and young people this summer? Then look no further! Taking inspiration from The Art of Chichester exhibition, Article 12 Arts will be pairing up with a professional artist and filmmaker duo to bring free practical art workshops to The Novium Museum every Tuesday and Wednesday in August.

Each day will start with an engaging tour around The Art of Chichester exhibition followed by a short talk and demonstration from the artist about how they work. Participants will then make their own miniature imagined spaces, sculpt figurines and share their own stories to record and collect during a fun (messy!) workshop, using recycled materials, air drying clay, glue, paint and graffiti pens. Content created during these workshops will form a community exhibition exploring what could be the Art of Chichester tomorrow.

All sessions will run from 10am – 4pm except 16 & 17 August which will run from 1pm – 4pm.
