

## Year 6 Learning wb 1<sup>st</sup> June 2020

This week, is the start of our new topic "Hola Mexico" and it is a bright and colourful topic. I hope you enjoy it.

	Spellings/SPAG	English	Maths	Topic/Afternoon activities	
Monday	No learning due to INSET day.				
Tuesday	<p>Week 1 words.</p> <p>Choose a spelling task to help you to learn these words.</p>	<p>Google Mexican mariachi music.</p> <p>Listen to a performance and then collect some words and phrases which describe it.</p> <p>Also think about how the music makes you feel.</p> <p>Think about the types of instruments you can hear playing.</p>	<p>Times tables test</p> <p><a href="https://www.timestables.co.uk/speed-test/">https://www.timestables.co.uk/speed-test/</a></p> <p>Recap on different types of angles.</p> <p>Use the Angles revision powerpoint to begin with to help to recap.</p> <p>Then do Missing angles at a point worksheet *, ** or ***.</p> <p>If necessary look at the powerpoint for angles around a point first.</p> <p>Extra: Then try the missing angles at a point challenge sheet.</p>	<p><u>Topic</u></p> <p>Use the Internet to research the festivals which are important in Mexican culture.</p> <p>Compile a list of "Festival Facts" which you can use in your English later this week.</p>	<p><u>Art</u></p> <p>Look at some of the designs of skulls decorated for the festival "Dia de los Muertos" (Day of the Dead - celebrated on 31<sup>st</sup> October-2<sup>nd</sup> November - All Saints' Day and All Souls' Day in Western Christian cultures).</p>
Wednesday	<p><b>Modal verbs</b> tell us the possibility of whether something will happen. Eg I might go shopping tomorrow/I will go shopping tomorrow.</p>	<p>Add to your information about festivals, focusing upon Dia de los Muertos in particular.</p> <p>You are going to create an information</p>	<p>Create the pattern of square numbers (use the squares in your book to help you to create accurate squares). How do these link to your times tables?</p> <div><div> 1 · 1 1</div><div> 2 · 2 4</div><div> 3 · 3 9</div><div> 4 · 4 16</div></div>	<p><u>Topic</u></p> <p>Find a range of recipes for traditional and contemporary Mexican fruit drinks. You could even make one if you can find the ingredients!</p>	<p><u>Art</u></p> <p>Test out some ideas of different patterns used - circles with flowers inside or leaf and flower shapes.</p> <p>Experiment with different colours and see which colours</p>

	Watch the powerpoint and answer the questions as you go.	booklet or leaflet across the rest of this week and next.	Watch Vertically opposite angles powerpoint presentation. Do the angle challenge resource sheet. Then do differentiated vertically opposite worksheets *, ** or ***.	Copy out the recipe for your favourite, in joined handwriting and decorate with a bright pattern around the 4 sides.	contrast or go well together.
Thursday	Do 1-5 of the Punctuation and Grammar challenge cards today.	Begin to group together some of your information into useful sections which will form paragraphs in your information text. Expand your notes using sentences which you have written yourself - don't just copy and paste.	What are triangular numbers? Follow the pattern:  Do the Calculating angles worksheets.	<u>PE</u> Get active!	
Friday	Do 6-10 of the Punctuation and Grammar challenge cards.	Build up your plan so that you can see which aspects of the festival you are writing about and can also see where there are gaps and you may need to find more information.	Mental maths mat 1.  Watch the lesson presentation: Angle reasoning. Then do the angle reasoning worksheets *, ** or ***.	<u>PE</u> Learn a simplified version of the traditional Mexican folk dance El Jarabe Tapatio (the Mexican Hat dance).	<u>Art</u> On the mask template, have a go at experimenting with designs for a mask. Think about the patterns and colours you have tried out.  You don't have to stick at just one!
