Worship this week.

In worship this week, we explored the Bible story of Martha and Mary. Luke 10:38–42. This story reminds us of the importance of being mindful—taking time to stop, prioritise, and truly listen to one another. In our busy lives, it can be easy to forget to pause, but this story encourages us to slow down and be present. By doing so, we can strengthen our connections with each other, appreciate the world around us, and grow in our relationship with God.

Golden Book

Well done to Adelaide who has shown fantastic enthusiasm in Talk for Stories, especially when sharing her love of Bun on the Run! Her ideas are bursting with creativity—what a superstar writer in the making, well done Adelaide!

Well done to Theo (Y3) for demonstrating the value of being a ready learner. You have shown this by practising your reading at home, which is so important for your progress. Keep up the fantastic effort!

Finally, well done and congratulations to all of our Year 6 children who have shone this week. You approached your SATs with courage and perseverance, supported one another, and stayed positive throughout. We are incredibly proud of you all!
