

The Blue Letter: 6th March 2020

Dear Parents/Carers

Our current school caretaker/cleaner has had to give us notice and left a couple of weeks ago. His replacement is due to start very soon but until then we are without a cleaner. The staff are doing a fantastic job of keeping the school clean but this does take their time away from preparing for the children's learning. If anyone is able to lend a hand after school any day for the next couple of weeks and wield the vacuum cleaner, mop or toilet brush, we would be enormously grateful. A huge thank you from me to the staff for what they have done so far. If you can help, just let one of us know. Thank you.

You may have seen several reports in the news that confirm there have been two confirmed cases of Coronavirus – COVID-19 in West Sussex. I would like to reassure you that we remain in regular contact with West Sussex County Council and Public Health England to ensure we have the most up-to-date advice and information. On their advice the school remains open as usual.

The situation is continuing to change and therefore guidance regarding actions that should be taken for schools is being regularly updated. Following the advice from the Department for Education and Public Health England, we are ensuring that children have been reminded about how to thoroughly wash their hands along with the importance of this. We will continue to keep you updated.

Parents' evening this term is 18th and 25th March. Sign up sheets are on the classroom doors.

Collective Worship

Next week we continue looking at the life and ministry of Jesus with our Theme: Jesus Cares & Provides remains the same. We will be looking at stories that include the parable of the lost sheep and the story of Zacchaeus.

Our bible verse stays the same and comes from Psalm 107 v 31

"Let them give thanks to the LORD for his unfailing love and his wonderful deeds for mankind."

World Book Day book sharing

As part of our World Book Day celebrations the children shared books with each other in their house teams and the teachers changed classes to share their favourite story .

Word Book Day Prize Winning Potatoes

Well done to all of you who turned a potato into a book character. The children voted and a winner was chosen in each class. The creator of the winning character won a book token

Well done to Oscar CB, Libby and Mark for their brilliant creations!
