

The Blue Letter: 21st June 2024

Learning, Loving, Growing,
Together with God.

Dear Parents and Carers,

Summer Fair - Thank you for your tombola donations. There is a sign up sheet by the main front door if you are able to help at the fair. Without helpers the fair won't happen and the children miss out on the events that the fundraising supports.

Parent Survey - Thank you for your feedback. The survey will close at midnight tonight. If you have tried today, please try again as there was a technical hitch. It is great to see that the majority of you are happy with the school with everyone so far, agreeing or strongly agreeing, that their children like school. There are some areas that we need to put some work into moving forward and these will filter into our school development plan for next year. Out of 61 families we have had 18 responses to the survey, so far. One aim for next year is for a higher number of responses to our survey.

2025 Residential Trip - The initial letter for this has been sent to parents. The residential takes place in July 2025. Reply slips and deposits need to be returned by 28th June 2024 please. If you have any questions, please speak to Mrs Dommett.

Sunhats, sunscreen and water bottles - hopefully the summer has now arrived! Please make sure you apply sun cream to your child before school. We do have a hypoallergenic sunscreen in school for children to reapply during the day. This avoids us having 77 bottles of sunscreen to look after! Your child will benefit from a sunhat for playtimes. Please also ensure they have a freshly filled water bottle to start the day.

PE Kits - It's the time of year where the timetable can vary and we might do extra PE to practice for Sports days etc. Please make sure your children have their PE kits in school all week to ensure they can take part. Thank you
