

The Blue Letter: 20th May 2022

Learning, Loving, Growing,
Together with God.

Dear Parents and Carers,

Our Year 2 children have worked really hard this week on their 'special quizzes' and we are just as proud of them as we were of our year 6 child last week. The Year 2 children haven't yet completed a full year in school due to covid and have shown a fantastic attitude towards working quietly and on their own.

PTFA

Thank you to Georgie Newman (Mum to Hugo and Lucas) for her work this year leading the PTFA. Due to work commitments, she needs to take a step back from this role and we are looking for someone or a small group who are able to lead our fundraising and events. As budgets become ever tighter, the work of the PTFA becomes more important in supporting the school, providing funding for activities and events that might otherwise not take place. Fun and Fundraising events also help us spend time together as a school community. If you are interested in being part of a small group who could lead our PTFA please do speak to Mrs Dommett, the office or your child's teacher.

Next week

The full diary for next week is on the second page of the newsletter this week.

Tuesday 24th May

Squirrel class will be celebrating the end of their topic with a Pirate Day. They will be hunting for treasure and singing sea shanties. The staff in Squirrel Class would like the children to come dressed up in costume. This can be a complete pirate costume if they would like. However, it can also be a t-shirt and shorts with an eye patch. Perhaps they have made something as part of their homework task that they could wear.

Friday 27th May - we will be celebrating the Queen's Platinum Jubilee with a non-uniform day. The children can come dressed in red, white and blue. We would like the children to bring a special drink with them for our picnic in the afternoon, for example a carton of juice or a flavoured water (no cans, bottles or fizzy drinks please). We will be decorating festive biscuits and having a picnic together. School will finish at the normal time.

Advance Dates

Apologies for the confusion last week. To confirm our sports day will take place on Thursday 7th July in the afternoon, and we are delighted to be able to welcome parents and families to this event this year. In case of bad weather our reserve date is Wednesday 13th July.

British Values Workshops

We had a full day of drama workshops on Tuesday to support our Rights Respecting School work. Charlie from Big Foot led each class in learning and exploring British Values. He taught the children how to use the fingers and thumb of one hand to help remember the values.

The British Values are:

1. Democracy
2. The rule of law
3. Individual liberty
4. Mutual respect
5. Tolerance

Outdoor Learning

This week we used a very sharp knife to cut the stick into a point. We put marshmallows on the end and cooked them on the fire. Alex found a snail in the tyre. - *Lucia and Georgia*

Free Mental health Support for Families

Funding has recently been secured for two popular courses to support children, young people, and their parents/carers to help them face mental health challenges. Full details are outlined below and in the leaflets attached to the parentmail with the blue letter.

Both courses are run by Rites for Girls, an organisation that has been supporting children and their parents since 2011. Girls' Net is a six-week journey for girls equipping them for times of challenge and change. This course is made up of six one and a half hour sessions in a small group of same-age girls guided by a fully trained Girls' Net Mentor. In between the sessions, girls have access to an interactive notebook online to prompt further exploration of each week's topic. Girls' Net is currently held online for girls grouped by age (8-18 years). By the end of the course, the girls not only have gained some practical tools for managing their emotions, but they have also had the experience of shared support.

Online Parenting Through Difficult Times course is a three-week course designed to help parents and carers of children of all ages achieve a sense of calm and safety and to give their children and young people tools for managing their big feelings (includes private online group and individual support). Ten parents per course. The funding for these courses runs from April 2022 to March 2023 and we hope that many will continue to benefit from the 24 Girls' Net groups and 12 Parenting Courses. To access a free place on one of the courses, parents can apply by emailing Rites for Girls direct at ukad-min@ritesforgirls.co.uk. For Girls' Net only, reserve a place online.
